## Amendment 79

Right to Abortion

**What it Does:** Guarantees access to abortion in the state of Colorado through a constitutional amendment.

**Why We Support It:** Reproductive healthcare is healthcare, it keeps our communities strong, healthy, and everyone deserves the right to medical decisions for their own bodies.

## Amendment J

Protecting the  
Freedom to Marry

**What it Does:** Removes language in Colorado's constitution stating marriage is only valid between one man and one woman.

**Why We Support It:** Our constitution should reflect the right to make the most basic decisions about who you love.

## Amendment K

Modify Constitutional  
Election Deadlines

**What it Does:** Adds an extra 7 days for County Clerks to finalize ballots, extends period for publishing ballot measures from 15 to 45 days.

**Why We Support It:** County Clerks need more time to ensure accuracy of our ballots.

## Proposition JJ

Sports Betting  
Tax Revenue

**What it Does:** Asks if the state can keep tax revenue over \$29 million for water conservation rather than returning it to taxpayers.

**Why We Support It:** Water conservation is critical to Colorado's healthy future.

## Amendment 80

School Choice in  
K-12 Education

**What it Does:** Amends the constitution to include religious, charter, private, and homeschooling as school options, opening them to public school funding.

**Why We Oppose It:** Public funds should be for public schools, and school choice already exists in Colorado.

## Proposition 131

Concerning the  
Conduct of Elections

**What it Does:** Creates an all-party primary for certain elected offices, and a ranked-choice voting system.

**Why We Oppose It:** Ranked-choice voting is great, just not this way. It will confuse voters and allow more big money to influence elections.
