

2026 Ballot Guide

Our ballots are longer than ever this year!
We put together an easy to digest
breakdown of all 14 ballot measures.

Scan this QR code to get the details!

Proposition NN Revenue Cap Increase for K-12 Education

What it Does: Increase TABOR cap and use funds for K-12 education expenses, including increasing teacher pay & retention, limiting class sizes, & workforce prep.

Why We Support It: Colorado is one of the wealthiest & most educated states but among the worst funded education systems.

Amendment 87 Graduated Income Tax

What it Does: Implements a Graduated Income Tax in Colorado, reducing taxes for 97% of Coloradans while raising over \$2 Billion our state needs.

Why We Support It: Currently the flat tax system disproportionately puts tax burdens on lower earners.

Proposition 137 Retain Sporting Goods Sales Tax for Conservation & Wildfire Prevention

What it Does: Allows the state to keep excess revenue for wildfire mitigation, water protection, conservation, wildlife habitat, state parks, and outdoor rec.

Why We Support It: Our state desperately needs additional funds to support and maintain our outdoor resources, and this does it without a new tax.

Proposition 134 Sex Requirement for School & College Sport

What it Does: Requires all K-12 and collegiate school sports teams to be separated based on biological sex, unless the team is co-ed.

Why We Oppose It: Kids, parents, and schools should be able to make decisions that are best for themselves, not state mandated.

Amendment 81 Notification of U.S. DHS for Certain Criminal Charges & Immigration Status

What it Does: Require police to notify the U.S. Department of Homeland Security if a person is charged with a violent crime or has a prior felony conviction & the person's immigration status cannot be determined.

Why We Oppose It: Local police are not Federal law enforcement.

Amendment 82 Colorado Right to Purchase & Sell Natural Gas for Cooking & Heating

What it Does: Amends the constitution to provide a right for consumers to purchase natural gas for cooking or heating in homes and businesses and for distributors and utilities to sell natural gas.

Why We Oppose It: This does not deserve to be in the constitution.

Proposition 136 Colorado Cap Individual & Business Income Tax at 4.4%

What it Does: Establish a 4.4% cap on individual and corporate income tax rates.

Why We Oppose It: This measure is run in direct opposition to Amendment 87, and would maintain our current unfair tax system.

Proposition 135 Prohibit Surgeries for Treatment in Response to Minor's Perception of Sex or Gender

What it Does: Prohibit healthcare professionals from providing surgeries to persons under age 18 in response to a minor's perception of sex or gender.

Why We Oppose It: This is a decision that should be made between parents, their child, and their doctor alone.

Voter Info & More Measures

We are **neutral** on the following statewide measures, but **check out our QR code** to find out more information about what each proposition and amendment could mean for you, your family, and our community.
